

Think of when moving out

from brf Venus i Täby

Inspection

Book an inspection by contacting the property manager before moving out from your apartment.

Denunciation

If you rent a garage, parking slot or a storage, then these will be cancelled at the end of the month you're moving out from the property. If you have any questions, please contact the property management assistant.

Keys and key tags

If you got any keys to a garage or an extra storage, you'll have to leave them to the local office before moving out. Key tags should also be returned when you're moving out during the local office opening hours.

Subscription

You should cancel subscriptions for tv/internet or the home telephone before moving out, even if you only got the associations free internet connection.

Deduction

Contact the broker with information about consumed electricity in good advancement.

Cleaning

Clean your apartment well before moving out. This is the most common argument at the exchange of ownership.
